

Terri Murphy understands the art of engagement through authentic communication.

As a top producing real estate agent in the Chicago area for over 28 years, Terri listed and sold over 100 homes a year without a team when interest rates soared to almost 28%. Her experience during this economic crisis helped Terri to create strategic partnerships, strategies and systems to get more prospects into home ownership.

Terri understands the unmatched power of how to connect in a noisy and overcrowded marketplace to create powerful engagement in business today.

Terri is president of Terri Murphy Communications, Inc. and CIO of U.S. Learning; a global interactive on-demand learning and training company based in Memphis, TN.

She is the published author of five books and produces and hosts programs on television and radio. Terri has been featured on ABC, NBC and CNBC News as a sales expert.

She's here today to share new insights on how to deploy powerful engagement strategies through innovation.
